

# HealPACK: ELEVATING POST-OP RECOVERY

A physician-prescribed, patient-specific dressing kit designed to improve healing and simplify at-home care, shipped directly to the patient.  Each kit includes collagen-based dressings that support healing, increase compliance, and unlock new revenue for your practice.

Our proprietary software tracks, verifies, and analyzes all orders, ensuring complete visibility and dedicated support with just one call.

**PRACTICE BENEFITS:**

- Standardize and elevated at home care
- Boosts patient compliance
- End-to-end order tracking via proprietary software
- Support with claims & documentation
- Drives additional revenue

**PATIENT BENEFITS:**

- Home delivery of advanced post-surgical dressings
- Improves patient outcomes
- Up to 30-day-supply direct to patients door
- No pharmacy trips
- Removes confusion for at-home care
